Mule Deer Hunts Rifle & Archery

We had another great season hunting Mule Deer and Elk in Alberta. We had fun times with new and old friends and harvested some fantastic bucks. We have a few spots open for 2015, so give us a call! Thank you once again to our fabulous guides and clients.

Good hunting!

Your hosts, Flint & Chris, and Frank & Cindy, would like to thank our new and repeat clients for hunting with us, and our great crew of guides for another job well done. It was a fantastic 2014 season!

This is a 14 day, fully guided hunt for Bighorn sheep in Canmore's famous archery only area. We have been hunting this area since 1979 and have met and helped many great archers harvest some fantastic rams. Please contact us for more information.
